Minister: Andy Wilson

Dear All

The global spread of the coronavirus has caused us to think about the things we take for granted and to rethink how we go about the practices of our daily lives. Our church is now unable to meet for Sunday worship and prayer so our lives will now be more focussed on keeping ourselves and others safe and on personal prayer, worship and the service we can offer to those in our church community and beyond.

We wanted to write to you to keep you informed about the way our community can stay connected and so provide prayerful and pastoral support. The main way that we will keep in contact will be through our website at mrbc.org.uk, email and a WhatsApp group. If you want to be part of the church WhatsApp group, then please contact Andy on 07858008309. If you are not sure whether the church has your email address, then send an email to secretary@mrbc.org.uk.

If you identify a need for pastoral support through this difficult time then please contact Andy on 07858008309 or by email at minister@mrbc.org.uk

We pray that in this exceptional time we will learn and discover more about our Creator God and be faithful in being the hands of Jesus to each other and the wider community.

Asking God's blessing

Andy & Dave
